

The Dorothy (Dee Dee) Dickert Scholarship/Award Application

Yancey Dickert provided funds to establish an endowment to honor his wife Dorothy (Dee Dee) Dickert. The donor would like the recipient to have the following preferred attributes:

1. A person, who like Dee Dee, is an encourager and people lover.

“If I’ve had a new idea, or made a new friend, discovered something interesting about the world or myself, gone a little farther than I had to or given a little more than was expected, accomplished something worthwhile--however small, brought happiness to someone who wouldn't have found it without me, then I have lived well today.”

2. All candidates must be from Midland County and up to 25 years of age. First preference is given to a person from FUMC, Midland, but if such person is not available, then one involved with another Christian church is eligible.
3. A person who exhibits the traits of seeking out friendships, encouraging others, bringing joy to others, known for volunteering, helping, comforting or sharing time with others in a positive manner.
4. Qualified potential recipients may apply or be nominated for this award.
